

Join our Shed

The Men's Shed North Shore Trust is a Community Workshop where we provide a welcoming environment and an ideal drop-in place for a cuppa and a chat.

On the first Wednesday of each month we hold a social BBQ lunch, often including an interesting guest speaker.

There is a small annual membership fee on joining.

We have strong support from the community and your membership would be most welcome.

Welcome to the Shed!

Our key objective

Health & wellbeing

Unite
against
COVID-19

Our Sponsors

- A place to chat
- Share knowledge
- Learn new skills
- Just potter
- Sheddies Paradise!

About Men's Shed

Membership Benefits

Get Involved

From humble beginnings in Australia as a health initiative for men, there are now more than 100 Sheds in New Zealand offering a place to socialise and tinker.

Social and support networks often revolve around places of work. When that changes, people can lose touch with contacts and become isolated.

The Shed offers a place where members can forge new friendships and become part of a strong diverse community.

We are easy to find beside the Glenfield Tennis Club, where there is level access and plenty of parking.

Our purpose-built shed has well-equipped workshops for

- * WOODWORKING
- * ENGINEERING
- * ELECTRONICS

(Electronics, our new tech space extension)

where members can work on their own projects or help with our many community projects.

More importantly, the shed offers comradeship and friendship among a community of skilled people willing to share their knowledge and experience.

Come and learn a new skill or share yours with others.

Make new friends

Health & wellbeing

We are proud of our commitment in helping many local community organisations, schools, kindergartens and private individuals with their interesting projects.

There is always plenty going on, giving us the unique opportunity to work together with the satisfaction of helping others while at the same time learning, or improving our skills.

Help your community
